FKF NEC EFFECTS INTERIM LEADERSHIP CHANGES AMONG OTHER RESOLUTIONS

The Football Kenya Federation (FKF) National Executive Committee (NEC), following a meeting held this evening, has resolved to effect interim changes to its composition, replacing the seven members removed through resolutions of the Special General Meeting (SGM) held in Meru on November 7, 2026.

The decision follows today's ruling by the High Court in Siaya, which dismissed the petition challenging the SGM resolutions, struck out the petition in its entirety and discharged the interim orders previously issued against the Federation.

The NEC has consequently resolved to appoint the following office holders on an interim basis, with immediate effect, pending ratification by Congress at the next General Assembly:

- Caleb Amwayi – Deputy President, replacing McDonald Mariga
- Hamisi Mwakoja – Coast Region NEC Member, replacing Gabriel Mghendi
- Dan Njuguna – Central Region NEC Member, replacing Robert Macharia
- Boaz Kibet – Upper Rift Region NEC Member, replacing Bernard Lagat
- Mourice Nyai – Nyanza Region NEC Member, replacing Collins Opiyo Kalee
- Jectone Obure – Nairobi Region NEC Member, replacing Daniel Akala Shikanda
- Maqulate Atieno – NEC Women Representative, replacing Violet Kerubo Momanyi

The new office holders assume their respective responsibilities with immediate effect on an interim basis, subject to formal ratification by Congress at the next General Assembly.

FKF remains committed to ensuring continuity in its governance and administration, while continuing to focus on the development of football and the delivery of its programmes across the country.
