 The Hon. Salim Mvurya EGH
 Cabinet Secretary
 Ministry of Youth Affairs, Creative Economy & Sports
 Government of the Republic of Kenya

7th July, 2025

Dear CS,

As we now enter the month of July, we reach the point where it is over 3 months since the conclusion of the 2025 edition of Safari Rally Kenya.

It also marks 6-months since the contracted fee for the 2025 rally has become due. In that time, we have not received any payment of the contractual obligations owed by the Ministry of Youth Affairs, Creative Economy and Sports to WRC Promoter GmbH.

With a total outstanding amount of €4,005,216.59 including invoices dating back as far as 2022, the situation has become absolutely unacceptable, and steps must be taken to mitigate this immediately.

Below is the list of outstanding amounts:

On the topic of the total amount outstanding, the communication from the Ministry and other related entities has been almost non-existent despite constant requests from WRC Promoter for updates and payment timelines. These are clearly contracted and obligated payments without any dispute over them. Accordingly, I would request an immediate and urgent online meeting with you personally to understand the official position of the Government of Kenya for settling these debts.

With the 2026 WRC calendar due for confirmation and publication by the end of July 2025, the position of Safari Rally Kenya must be put in doubt until a suitable and agreed plan is in place to settle these debts.

Your soonest attention to this matter appreciated, and I look forward to hearing from you to agree a personal meeting.
